CAMPING TRAILER

Pack your tent and camping gear inside your trailer. Put your Jerry can and gas bottle in their holders, your canoes on the roof rack and you're set to go.

Based on our 6x4 economy plus, the steel lid makes for secure and safe travel

Features

- Size 6x4 (2100x1200)
- Main specs as per economy plus
- 500 high sides
- Jerry can holder
- 4.5 Kg gas bottle holder
- Lockable steel lid with gas struts
- Roof/Ladder rack
- Swingup jockey wheel
- Trailer load rating 749 Kg

The 3 bike deluxe trailer has our heavy duty chassis underneath and 3 chequerplate channels on top. Complete with a ramp for loading and lots of anchor points it can accommodate up to 3 motorbikes.

Features

- Size 6x4 (2100x1200)
- Chassis as per heavy duty
- 2@6' side channels
- 1@ 7' centre channel
- Chequerplate ramp
- Optional Jerry can holders
- Trailer load rating 749 Kg

MOTORBIKE TRAILER

CAGES AND CANOPIES

Designed to suit our heavy duty trailers, we manufacture a range of cages, H bars and racks which drop straight into our heavy duty's corner supports. They can be attached and removed in seconds.

We also manufacture canvas canopies and frames to suit your needs. Our standard canopy (shown below) is our standard model but we can custom make canopies to suit individual needs.

SPECIALTY TRAILERS

TRADESMAN TRAILERS AND CANOPIES

Starting with our heavy duty chassis, the tradesman trailer supplies lots of lockable storage space. Sturdy roof/Ladder rack on top adds more versatility. We also manufacture the same canopy bolted to one of our heavy duty trailers where the unit needs to be removable. A budget canopy is also made to suit our Economy Plus trailer range. Units can be customised to suit individual needs. You can add a rear door or ramp, add internal shelves or partitions. **Ask one of our sales team today!**
